## PREFACE

About the year 1850 a number of Elders of the Church of Jesus Christ of Latter-day Saints went to England. Those that went to Shropshire made many converts. Among them were three brothers and a cousin, Thomas, Francis, Richard and George Crowther. All four emigrated to the U. S. of America. The sole purpose for making their home with the Saints of God (commonly called Mormons). Francis came in 1852 and died on the plains on his way to Utah. Thomas came in 1855, Richard in 1864 and George in 1857. These two brothers and cousin chose Fountain Green, Sanpete County, Utah, as the place to make their permanent home, where they lived and reared their families, for thirty years. Then Thomas moved to the San Luis Valley, Colorado where he and his family helped to make settlements. Richard moved his families to Southern Utah and later moved to Logan, Utah, with one family where he died. George remained at Fountain Green until his death.

To keep a record of these three families is the purpose of publishing this book with a desire of connecting their Genealogy with the Crowthers that are in England and also many of that name who came to America.

This task of family historian has been assigned to Wm. O. Crowther who has been laboring along this line for thirty years. At the reunion of the Thomas Crowther family held in Sanford, Colo., July 26, 1941, it was agreed by this assembly to have this record published. Wm. O. Crowther was appointed chairman with Lewis R. Anderson of Manti, Utah, and Arthur F. Crowther of Salt Lake City, Utah, as aids to see that this work was accomplished. I want to thank these two men for their support and

loyalty to this cause, and all members of the family who have rendered aid in this undertaking. Especially do I want to thank Mrs. Leah Kirby for her untiring help. May it prove a blessing and help to future generations yet unborn and all members of this great family to "KNOW YOUR KINFOLKS."
