EXTRACTS FROM THE LAWS GOVERNING THE COLLECTION OF VITAL STATISTICS.

Duty of Parents and Keepers of Public Institutions. - Parents shall give notice to the town clerk or health officer of the birth and death of their children; every householder shall give like notice of every birth and death happening in the house; the oldest person resident in the house shall give notice of the death of his kindred; the keeper or other proper officer of every workhouse, poorhouse, reform school, jail, prison, hospital, lunatic asylum, or other public or charitable institution, shall give like notice of every birth or death happening among the persons under his charge. Any person who neglects to give such notice for the period of ten (10) days after the occurrence of a birth or death shall be guilty of a misdemeanor, and every such person shall be punished by a fine of not less than five (5) dollars nor more than twenty-five (25) dollars.

Duty of Physicians and Midwives. - Any physician having attended a person during his last illness shall, within ten (10) days after the death of such person, furnish for registration, to such clerk or health officer, a certificate of the duration of the last illness, name of the disease, and the date of which the person died, and the date of his decease. Any physician or midwife having attended a case of contagious smallpox shall, within ten (10) days after the death of the patient, furnish for registration, to such clerk or health officer, a certificate of the date of birth, name of the child, the color of the child, the cause of the death of the parents. If any physician or midwife neglects to give such certificate he shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than ten (10) dollars nor more than fifty (50) dollars, or by imprisonment for not less than ten (10) days nor more than thirty (30) days.

Duty of Town Clerk or Health Officer. - The town clerk or health officer shall, on or before the first (1st) day of each month, deposit in the office of the state board of health and vital statistics, upon his oath to be sworn to before said board, a certified copy of the records of all births and deaths which have occurred within each town, village, borough or city during the month then last preceding. Any continuing neglect to perform this duty shall be a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than five (5) dollars nor more than thirty (30) dollars, or by imprisonment for not less than ten (10) days nor more than thirty (30) days. Provided, that in the certificate over each individual returned to the state board of health and vital statistics shall perform all duties herein required of him without any compensation, and the salary of such clerk or health officer shall be paid by the town or village in full compensation in addition to his other duties for all the services required of him by this act.
