Dear Ones all
Just a note to let
you know that

Uncle Pete passed away at Jamestown
Hosp Fri nite, we heard on Sat P.M.
so never thought to ask Lois if she
let you know. Our weather isn't
quite as cold as yesterday, so if
it stays a little on the normal side
Wilbur & Vi & Scott & Beth & Christ may go
to funeral, which is Tues 2 P.M. &
Henry & some of his family may go
Henry needs to go - spent near 4 days
out there on his Birthday last Aug 3rd.
I feel I'd better stay put -
Jean's room # at Un Hospital is 268 -
they won't know much until all Exam
she just went in Sun 4 - Lyle will stay till
its over; was 35 some places yesterday
Laurie, did you ever make pictures
of a bell tower, if Phil can remember
the build of the church, we have a good

bell from our former church. but plans
 for church were made by an architect from
 Chicago. We have accumulated 2 to 4000 \$
 for it but some have re-evaluated it.
 they are some of bucks who want to
 build a 20,000 one but we want that
 rich, w'd like a simple one the outside
 finish is a brick mottled finish in tan
 Ed. Unit is a square ^{flat} roof. other church
 proper is between 70 - 90 ft. These are

So if you can give me another
 idea about this will appreciate
 this

Much Love
 Mom & Gordon
