HUSBAND - Jacob PEDERSEN Sjolstad
 Christening, marriage, and burial information from FHL INTL Film # 012349 Kolveried, Folderied, and Leka parishes of Nord Trondelag Norway, 1689 - 1814.
 Died at age 60 years.

WIFE - Elen LARSDTR Folderied
 Christening information from FHL INTL Film # 125349.
 there is confusion about this individual. She could have another husband, Erik Sivertsen, b 1727, d 1789, m 1762 in Kilveried. the problem is that she had children with this man while she was supposedly married to Jacob Pedersen Sjolstad. Both of these women have the same birth year, father and mother. It needs to be checked out thoroughly. According to the record of her family with Erik her death date is 20/8/1827, her death date for her family with Jacob is 9/2/1822. There may be two different women with the same b date and parents living in different places. What are the odds?
